VIRTUAL MEET THE TEACHER

SEPTEMBER 14

Teachers at Dr. Plaxton Elementary will have a video made of their classroom so you are able to see where your child is spending their time each day. At the end of the video, the teacher will provide instructions on how to make an individual appointment if you would like to speak with the teacher directly.

ANNUAL GENERAL MEETING

(SCHOOL COUNCIL NOMINATIONS)

SEPTEMBER 15

Our Annual General Meeting will occur on **Wednesday, September 15th at 6:30 p.m.**

During this meeting general school information will be shared, School Council nominations will take place, and a School Council will be formed. Please know that if you are nominated for a Council position you will be asked to provide a brief overview of who you are and what you could contribute to the position.

The Annual General Meeting will take place through a TEAMS meeting. A link to the meeting will be sent out from the school prior to the meeting. Once a School Council executive is established, we hope to meet with the executive in person at the school and livestream the meeting to other attendees.

This day provides an opportunity to recognize and commemorate the history of residential schools, and with that in mind, Sept. 30 will be a non-operational day for Lethbridge School Division.

DR. PLAXTON GRAND OPENING

SEPTEMBER 17

The Grand Opening for Dr. Plaxton Elementary School will occur on September 17th. The ceremony will take place outside where students will be seated within cohorts distanced from one another. Only invited government official and Lethbridge School Division personnel will be attending the grand opening. A livestream will be available for others who would like to watch.

TERRY FOX WALK

SEPTEMBER 29

Students will be involved in the Terry Fox Walk on September 28th. Students will follow a designated route and will be walking in grade level cohorts staggered throughout the day.

We will be collecting Toonies for Terry later in the month. Please stay tuned for more information!
