

# Apistsisskitsaato'si

## MAY 2024

translates to 'blossom month' the month where we begin to see buds and blossoms on bushes and trees. The Niitsitapi in this area would moving out of their wintering grounds and moving towards the hills once they see the buffalo bean and crocus flowers. The blossoming would indicate where the people needed to be at certain times.

-Annette Bruised Head

### Save the Date
